TRAIL WALK INTO TRAILFEST WAGON FOREST

Elphinstone Logging Focus invites all Coast residents on a walk into the threatened Trailfest-Wagon Forest. BC Timber Sales wants to clear-cut this forest Spring 2012.

Meet Sunday, Nov. 13th, 1PM at the Roberts Creek Community Hall (upper parking lot) Round Trip: 4 hours
Seniors bring hiking poles.

Trailfest-Wagon Forest contains a network of mountain biking, walking and historic trails that would be partly or completely destroyed by logging. Calling on all mountain bikers who love this area to bring your bikes for a photo-op.

On Nov. 19th vote for candidates that support its protection.
